About the Tournament

The U19 Esports Championship is Japan's first ever U19 esports tournament. Players will be competing in League of Legends. We aspire to discover the next generation of young talent and help develop their strategic thinking, teamwork, and communication skills through participation in the tournament. We also hope for the tournament to become a symbolic and admirable stage for younger gamers in and outside of Japan. We look forward to your participation for the opportunity to be crowned our first ever champions.

Game Title

League of Legends was released in the United States in October 2019, and is considered one of the world's largest esports with over 100 million active users and international competitions. In this multiplayer online battle arena (MOBA) game, players form a team of five and control "Champions" with the goal to destroy the opposing team's nexus. Due to the game's RTS and RPG qualities, as well as its highly competitive nature, League of Legends is pronounced as a top esports with multiple pro leagues around the world. The annual "League of Legends World Championship (WCS)" is a prestigious international tournament attracting over 99.6 million viewers around the world. The game's unique character designs and lore, alongside the animation and music, have also demonstrated popularity in various non-game fan communities, such as those focused on cosplay and fan art.
